Dear Ms Losi

On behalf of the Administration and Board of Directors of Public Servants Association of South Africa (PSA), I would like to extend the Union's congratulations to you on your election as the new and first female President of the Congress of South African Trade Unions.

The PSA, as representative trade union of more than 242 000 public-sector employees, trusts that you will make positive and lasting contributions towards the labour movement.

The PSA looks forward to a cordial and positive working relationship with Cosatu, as we not only focus on improving the lives of workers who drive the economy, but also the social upliftment of the poor and needy.

Yours sincerely

Ivan Fredericks
